

ROHONSSONTM BARLEY

KANANGIRI

ROOTED IN PURITY. TRUSTED
BY GENERATIONS

WHY CHOOSE ROHONSSON BARLEY?

100% Pure & Natural

Only premium-quality barley—no additives, preservatives, or artificial enhancers.

Nutrient-Dense Superfood

Rich in fiber, vitamins, and minerals to support digestion, energy, and overall health.

Smooth Texture, Easy to Use

Finely processed for a smooth texture that blends effortlessly in drinks, soups, and recipes making healthy living.

Long Shelf Life, Always Fresh

3-layer packaging locks in freshness, aroma, and nutrients, ensuring every scoop tastes as good as the day it was packed.

Attractive MRP with Strong Dealer Margins

Designed for a fast-moving market, our pricing strategy ensures maximum sales potential for retailers while offering great value.

FROM THE FARM

The best quality of Barley is procured directly from farms to get highest quality products as the output.

LOW GLYCEMIC INDEX

With a naturally low glycemic index, our barley helps **support stable blood sugar levels**, making it a smart choice for healthy lifestyles.

HIGH IN DIETARY FIBER

Packed with essential fiber, it **promotes healthy digestion**, keeps you fuller for longer, and **supports overall gut health**.

TOP QUALITY

Every batch undergoes strict quality checks and **advanced processing to maintain purity**, freshness, and exceptional taste in every pack.
